

THE ULTIMATE SKINCARE RANGE

Glycolic Wash 200ml

Discover the secret to youthful and radiant skin with our powerful Glycolic Wash. This active resurfacing facial cleanser is specifically formulated to target the visible signs of skin ageing and age-related pigmentation marks. With a potent 4% glycolic acid, it effectively removes environmental pollutants, make-up, and impurities, leaving your skin refreshed and revitalised.

Lactic Wash 200ml

Revive skin and unveil a radiant, revitalised complexion with our Lactic Wash. This active facial cleanser is designed to transform dull, dry, uneven, or tired skin into a luminous and refreshed canvas. With a gentle yet effective 2% lactic acid formula, this wash works wonders in restoring the skin's barrier function and improving overall skin tone.

Salicylic Wash 200ml

Take control of oily and acne-prone skin with our powerful Salicylic Wash. This active facial cleanser, specially designed for use with water, is your ultimate solution for combating excess oil and pesky blemishes. With a 2% salicylic acid formula, it gently and effectively removes impurities while deeply cleansing and unclogging pores.

Prep and Refresh Toner 150ml Refreshing, smoothing, exfoliating, and hydrating this toner combines the power of acids and peptides to reinforce your skin's microbiota, while effectively addressing skin damage caused by reactive oxygen species and free radicals. Featuring gluconolactone, mandelic acid, and soothing aloe vera, it prepares your skin to receive the active ingredients in the rest of the Intradermology range.

PEP-UP Complex 30ml The ultimate solution for atopic skin! This serum is specifically formulated with a potent blend of peptides, growth factors, amino acids, and ceramides to provide unparalleled protection, smoothness, and soothing for your skin. Say goodbye to irritated, dry, and red skin as our serum restores your skin barrier with essential lipids, cholesterol, and ceramides. Experience the healing and regenerating properties that improve your skin's texture and appearance.

BOOST-UP 30ml

This powerful formula is packed with essential vitamins, omegas, and antioxidants to supercharge your skin care regime. Designed to enhance the effectiveness of your current products, BOOST-UP combines Vitamin C, Vitamin E, and a host of other nourishing ingredients to deliver unparalleled results and ensures the versatility of the range.

Vit C and Anhydrous HA 30ml

This oil-soluble serum is specially formulated with stabilised Vitamin C in the form of ascorbyl tetraisopalmitate to effectively brighten and nourish your skin, leaving it silky smooth and soft. Experience the transformative power of this serum as it replenishes moisture and restores radiance to your complexion. The perfect serum for facial sculpting massage.

Sonic HA With Vitamin C 30ml

Experience cutting-edge technology with Sonic HA Bright Serum. Ultrasound technology creates different weights of hyaluronic acid, deeply hydrating and reducing inflammation. 3-O ethyl ascorbic acid at 20% offers antioxidant benefits, and aids collagen synthesis.

FaCE-IT 50ml

Our superstar FaCE-IT antioxidant cream is a powerful blend of potent antioxidants in an easy-to-use, light moisturising formula. Ferulic acid, Vitamin C, and Vitamin E combine in this cream to deliver unparalleled results, transforming your skin health and texture.

R-Vit Pro Cream 50ml

The ultimate multivitamin superstar for your skin. This powerhouse cream is packed with potent ingredients that work together to address a wide range of skin concerns. Vitamin B3 reduces wrinkles and enhances skin barrier function, while ascorbyl tetraisopalmitate stimulates collagen synthesis. Say goodbye to wrinkles, dullness, and compromised skin barrier function.

Replenish Retinoid Night Repair Cream with TRI-RET Complex 30ml

A powerful combination of 3 retinoids, expertly moisturising and replenishing the skin overnight and enhancing cellular renewal. Experience the transformative effects of this carefully formulated night cream that soothes and assists your skin without causing any irritation.

Restore Night Repair Serum with TRI-RET Complex 30ml

Is a powerful combination of 3 retinoids, expertly formulated to revitalise your skin, enhance cellular renewal and minimise signs of ageing. Experience the amazing benefits of this serum that comes in a light and easy-to-use Hyaluronic Acid formula.

Intense Repair Complex 100ml

A thick, creamy, and luxurious solution designed to transform your skin overnight. Our formula deeply moisturises and repairs your skin, making it ideal for those with rosacea, dryness, irritation, and skin poor barrier function. Experience the healing power of this cream and restore your skin to its optimal health.

Synergy 6 NX-GEN Spf 50ml and 100ml

Introducing Synergy 6 NX-GEN SPF the game-changer in sun protection and damage prevention. Our revolutionary formula represents a new era in skincare, combining advanced technology with powerful ingredients to provide unmatched defence against the harmful effects of the sun, pollution, IR, blue light. Synergy 6 is loaded with antioxidants and peptides to improve skin barrier function and improve skin health.

Firm and Revive Eye Serum 15ml

Our Firm and Revive Eye Serum, a light and luxurious solution designed to transform the delicate eye area. Packed with powerful antioxidants, brightening niacinamide, Vitamin E, and cell communicating ingredients, this cream is specifically formulated to improve the appearance of tired, ageing eyes.
